REGISTRATION OF BIRTHS, MARRIAGES, AND DEATHS.

Of Births.—An infant should be registered within forty-two days after its birth, by a parent, or some other person duly authorised, giving personal notice to the Registrar of their district. No fee is payable.

Of Marriages.—Notice of marriage in any of the Dissenting Chapels or at the Register Office, should be given to the Superintendent Registrar, of whom licenses for marriage may be obtained.

Of Deaths.—Information of a death should (as soon after its occurrence as practicable) be given to the Registrar of the sub-district in which the death took place, by some person present thereat or in attendance; such person at the same time producing a certificate of the cause of death, signed by the medical attendant of deceased. No fee is payable. Notice should be given of deaths in the same manner as births. This should be done early, as the undertaker must have a certificate to give to the minister who reads the funeral service, without which he may refuse to bury the body. As the *cause* of death is to be entered, care and discretion should be exercised in ascertaining the real nature of the deceased's death.

Assistant Secretary and Collector—MR. JOHN HAYNES.

The object of the Society is to extend the knowledge of the Gospel among the inhabitants of Brighton (especially the poor), without any reference to denominational distinctions or the peculiarities of Church government. To effect this object, Missionaries of approved character and qualifications, giving themselves entirely to the work, are employed and paid by the Institution. Their duty is to visit from house to house within their respective districts, read the Scriptures, engage in religious conversation, pay particular attention to the sick and afflicted, and urge those who are living in the neglect of religion to observe the Lord's Day and to attend public worship. They make it their business to see that all persons possess the Scriptures, to distribute religious tracts, aid in obtaining Scriptural education for the children of the poor, hold meetings for reading and expounding the Scriptures, and prayer, and adopt such other means as the Committee may think necessary for the accomplishment of the object of the Mission.

Subscriptions and Donations received at the Union Bank, at the Committee Room, Prince Albert street, and by the Assistant Secretary.

The Committee of Management

Includes the above-named officers, all clergymen who are annual subscribers, and the following lay subscribers:—

HENRY BINGLEY, esq.		Sir CHARLES JACKSON.
SOMERS CLARKE, esq.		Major NEWBERY.
Lieut.-Colonel ESTRIDGE.		Colonel OTTEY.
S. A. HANKEY, esq.		HENRY SMITHERS, esq. .
G. F. HODGSON, esq.		

The object of this Association is, through house-to-house visitation, to carry home to the residents in the poorer streets of the town the Gospel of Christ. It unites the contributions of individuals and congregational collections into a general fund, and therewith endeavours to carry out the work of a Home Mission, on an organised plan under the approval and authority of the Bishop of the Diocese. All the Readers are under the immediate direction and supervision of the ministers of their several districts; and thus they are the means, not only of strengthening the hands and extending the ministrations of the Clergy, but also of bringing to their knowledge many real cases of bodily as well as spiritual destitution, which otherwise they might not hear of.

The Association has now been in operation fourteen years. The Committee, whilst acknowledging with thankfulness the blessings which (by God's help) it appears to have conferred, are conscious that its usefulness might, and indeed ought to be, considerably extended.

Additional and increased Subscriptions are therefore most earnestly solicited. They may be paid either to Messrs. Hall, Lloyd, Bevan, and West, Brighton Union Bank, Edmund Scott, esq. 46a Regency square, or to the Collector.

Secretaries—Rev. F. MEYRICK and Rev. LORD C. A. HERVEY.

Local Secretary and Treasurer—The Rev. SPENCER R. DRUMMOND, Brighton.

London Dépôt—Messrs. RIVINGTON, 3 Waterloo place.

The object of the Society is—1, to make known abroad the principles and character of the Church of England; 2, to assist foreign churches and communities to reform themselves after the example of the Church of England; 3, to exhibit to foreigners, already driven into infidelity, a Christianity, which they may still embrace.

The means which it adopts are, the publication of books and tracts in foreign languages, and the employment of resident agents, travelling agents, booksellers, and dépôt keepers, to disseminate books and information. The countries in which its operations are at present chiefly carried on are Italy, Scandinavia, France, and Spain. Subscriptions received by Messrs. Hall, Lloyd, Bevan, and West, Union Bank, Brighton, or by the Local Secretary and Treasurer.

Brighton College was established in the year 1847, for the purpose of providing a liberal Education for the sons of Gentlemen. Its system is not exclusively classical; English Literature, Modern Languages, and Science being taught in a greater or less degree in every form. Special religious instruction in conformity with the principles of the Established Church forms part of the regular work, and on Sundays all Boarders, and as many Day Boys as wish to do so, attend divine service in the Chapel.

The College is divided into Two Departments :

I. *The Classical :*

The course of Education in the Classical Forms is intended to prepare Boys for the Universities, the Civil Service Examinations, and the Learned Professions. It consists mainly of Classics, Mathematics, and English Literature, but includes also Modern Languages and Natural Science.

II. *The Modern :*

In the Modern Forms the staple of instruction consists of Latin, English, French and German, Mathematics and Science. Greek is not taught. These Classes will aim specially at preparing Boys for the Military and Naval Examinations. They will also afford a good general Education for those who are not intended for any of the Professions.

The Laboratory will shortly be opened for practical instruction in chemistry.

Choral Singing forms part of the regular instruction in the lower forms, and special facilities are afforded for learning instrumental music.

The year is divided into Three Terms, by Vacations of four to five weeks at Christmas, two or three weeks about Easter, and seven weeks in August and September.

Reports of the conduct, diligence, and progress of each boy are forwarded to parents at least once in every Term.

Boys are admitted into the College by Nomination. Nominations may be obtained.

1. By purchasing a share, the price of which is £25. Persons wishing to become Shareholders should communicate with the Secretary.
2. By presentation from a Shareholder. This is matter of private arrangement, but lists of the Proprietary may be obtained on application.
3. By presentation from the Council. Pupils nominated by the Council are charged £1 per Term in addition to the ordinary College fees.

The College charges for Tuition (to be paid in advance) are as follows :

Under ten years of age	£7 10s. per Term.
From ten to fifteen.....	£9 0s. „
Above fifteen.....	£10 10s. „

The only extra charge (optional) is

Drawing.....	£1 8s. per Term.
--------------	------------------

Pupils are admitted at the commencement of each Term, in January, May, and September. Boarders are received at the following Houses :

The Rev. The Principal's.....The College.
 The Rev. The Vice-Principal's.....125 Eastern road.
 The Rev. J. B. Slight's.....1 Arlington villas.
 The Rev. G. Cotterill's.....5 Arlington villas.

At all these houses the charge is £63 per annum for board and washing. There is also a Dame's House, kept by the Misses Evans, Portland place, under control of the Principal, and superintended by a resident Master. The Terms at this establishment are £50 per Annum.

Before removal, a full Term's notice or payment of a Term's fees is required in all cases, both for Tuition and for Boarding.

Day Boys from a distance can have dinner provided for them on all whole school days at a charge of £3 per Term.

At the commencement of the First Term of 1872, and each following year, Two Council Scholarships will be awarded by public competition. These Scholarships carry with them remission of all College fees, and are open to boys not being already Students of the College, who shall not have completed their 15th year on or before the 31st December next preceding the date at which they become Candidates. They are tenable for two years.

Two other Scholarships of the same description will in 1874, and each year after that date, be offered to boys who shall have been not more than two years in the College; and Two others again in 1876 and succeeding years, to boys who shall have been not more than four years in the College. Thus a clever and industrious boy may earn free education during the whole period of his stay at the College.

There are also certain boarding house Exhibitions, tenable either with the Council Scholarships or separately, the number and value of which being variable, will be made known by advertisement as occasion shall arise.

An Exhibition of the value of £30, tenable for three years, is open for competition every year, to candidates proceeding to Oxford and Cambridge who have studied for three years in the College. No one, however, will be elected to any of these Scholarships or Exhibitions who is not in the judgment of the Examiners deserving of the distinction.

Thomas Attree, esq., of the Park, Brighton, in his lifetime gave a house to the College to endow a Scholarship, to be called 'The Wakeford Attree Scholarship,' in memory of his son, the late William Wakeford Attree, esq., Recorder of Hastings, and one of the Members of the Council of this College. Its value is £60 a year, and it is tenable for two years at the University of Cambridge.

A Library of Reference is being gradually formed, chiefly by gifts from friends of the Institution.

All communications should be addressed, The Rev. the Secretary, The College, Brighton.

SUSSEX BOARD FOR LOCAL EXAMINATIONS.

This Board was established March 1858, to carry out, in the County of Sussex, the Local Examinations adopted by the Universities, Society of Arts, and other Public Bodies. The Oxford and Cambridge Examinations are held at Brighton at Midsummer and Christmas respectively. The Board consists of the Mayor and post-Mayors of Brighton, the Judge of the County Court, the Stipendiary Magistrate, the Borough Coroner, the Town Clerk, and all Prize Donors and Principals of Schools in Sussex who send Candidates to the Examinations, and other gentlemen paying an entrance fee of 21s.

Copies of the Regulations for the University Local Examinations, Lists of Prizes, and other information, may be obtained on application, *by letter*, to Mr. Barclay Phillips, Honorary Secretary, 75 Lansdowne place, Brighton.

IMPORTANT TO LAW AND MEDICAL STUDENTS.

No person is now admitted into any department of the Public Service, civil or military, without passing an Educational Examination; and similar regulations have been established with regard to admission into the Legal and Medical Professions.

Every person proposing to enter articles of clerkship as Attorney or Solicitor *must* pass a special preliminary examination in Arithmetic, Geography, History, English, and elementary Latin; and is required also to offer himself for examination either in Latin, Greek, French, German, Spanish, or Italian; but if he has passed the Oxford or Cambridge Local Examination and in Latin, these special examinations are dispensed with.

Medical Students who have passed the Oxford or Cambridge Senior Local Examination and in Latin, will be excused the 'Preliminary Examination' on General Education required by the Council of the Royal College of Surgeons, and the 'Examination in Arts' required by the Society of Apothecaries.

The Pharmaceutical Society of Great Britain also allow the Oxford and Cambridge Certificate to supersede their own Preliminary Examination for Students in Pharmacy, if a Candidate has passed in Latin and Chemistry.

AN INSTITUTION FOR EDUCATING THE DAUGHTERS OF THE POORER
CLERGYMEN.

Treasurer—STEPHEN ALERS HANKEY, esq.

Secretary—REV. JOHN BABINGTON.

The children of all the poorer Clergymen of the Established Church in the United Kingdom, or serving abroad, are eligible, with or without a nomination; the income of the clergyman, the subscription of the person recommending, and the destination of the child to be a governess, being always the points chiefly regarded. Orphans, *cæteris paribus*, are preferred.

Each child pays £21 per annum, which sum includes washing, and the more expensive part of the dress after the first year, and medicine if requisite. She is also taught the usual branches of English and French education: the latter by French ladies resident in the Institution. Music is an extra of £5 per annum; Drawing, £4; German, £4; and Latin, £4. Exercises for deportment are included in the £21; but the Trustees reserve to themselves the decision whether, after due trial, there is a prospect of success sufficient to justify the prosecution of any of these accomplishments. Nor can any alteration be made in the system of education to suit any particular parent's wishes. The external dress is uniform, towards which £3 is paid on admission; but it is afterwards provided without charge.

The age for admission must be between eight and fourteen, and the children must be able to read and spell with ease.

Donors and Annual Subscribers, in company, if they please, with their friends, are entitled to see the Institution on the first Monday in every month, between 2 and 4 o'clock.

Subscriptions received at the Union Bank, and by the Treasurer.

It is well known that a great part of the debility, disease, and premature mortality in this country arises from causes which are preventible, and may be attributed in great measure to ignorance of the laws of health. The Association desires to accomplish these objects—

By the distribution of tracts and pamphlets on subjects relating to health; by arranging for the delivery of popular Lectures on the laws of health; by the employment of Female Visitors or Sanitary Missionaries among the poorer classes; by the distribution of small prizes to cleanly and well-kept houses; by bringing before the public and the local authorities the consideration of such legislative or executive measures as the sanitary condition of the town may seem from time to time to render necessary; and by inviting the co-operation of the Clergy, Medical Men, and District Visitors, and others, in the collection of facts relating to the condition of those parts of the town which are inhabited by the humbler classes.

The income, chargeable with the repairs, is divided amongst the inmates, and paid quarterly, and produces at the present time about 4s. per week.

PERSONAL BEAUTY.

“The Hair, the Teeth, and the complexion, are the three essential points of a handsome personal appearance; hence their preservation is of primary importance to all. The Toilet Requisites prepared by Messrs. ROWLAND and SONS not only preserve, but enhance, the attraction of these irresistible charms of youth and beauty.”—*Le Follet*.

ROWLANDS' MACASSAR OIL,

Composed essentially of exotic oils. Its effects, either in preserving the hair in its original strength and beauty, or restoring it when lost, are in many cases all but miraculous, and are recorded by testimonials most numerous in themselves, and certified by the highest authorities. Price 3s. 6d., 7s., 10s. 6d. (equal to 4 small), and 21s. per bottle.

ROWLANDS' KALYDOR,

AN ORIENTAL BOTANICAL PREPARATION, for improving and beautifying the Complexion and Skin. This royally patronised and Ladies' esteemed Specific realizes a healthy purity of complexion, and eradicates all Cutaneous Visitations. Price 4s. 6d. and 8s. 6d. per bottle.

ROWLANDS' ODONTO,

OR PEARL DENTIFRICE, compounded of Oriental Ingredients, is of inestimable value in Preserving and Beautifying the Teeth, Strengthening the Gums, and in giving a pleasing Fragrance to the Breath. Price 2s. 9d. per box.

IMPORTANT CAUTION.

The high and universal reputation of these articles induces some Shopkeepers to offer spurious imitations under the lure of being cheap. It is highly necessary on purchasing to see that the word “ROWLAND'S” is on the wrapper of each, and their signature, in RED ink, “A. ROWLAND & SONS.”

The principle on which each is prepared is confined solely to the knowledge and practice of A. ROWLAND and SONS, and the amalgamation of their costly exotic ingredients neutralises all attempts to separate their component parts. A. ROWLAND and SONS have repeated complaints from parties who have suffered from the use of imitations; but they cannot, in such cases, be responsible for the consequences.

The Genuine Articles are sold by respectable Chemists and Perfumers.

This Company is founded with the special object of adapting and applying the well-known principles of CO-OPERATION to the supply of COAL, a branch of trade in which the entire community is closely interested, and the magnitude of which is almost unsurpassed.

COAL—an article of vital necessity and of universal consumption—is the most onerously burdened commodity in London. A great number of intermediaries interpose between the Producer (or the Colliery-owner) and the ordinary Purchaser; and all these middlemen—Merchants, Factors, and Agents—absorb a large proportion of the price which the helpless individual Householder has to pay.

What the individual Householder is powerless to effect, collective Householders, formed into an Association like this, can easily accomplish.

No less than about Six MILLIONS STERLING are annually paid, in the Metropolis alone, for this indispensable article COAL: and of this vast sum a very considerable share is intercepted by the host of Middlemen above referred to.

There is no reason whatever why the consumers should not themselves enjoy the profits so intercepted, by uniting in an organization like the GENERAL CO-OPERATIVE COLLIERY COMPANY.

This Company aims at cheapening and simplifying the present oppressive and indefensible system, by avoiding all the preventible intermediate charges which form so heavy a tax on the pockets of the London Householders, and at giving the full benefit of the amounts thus saved to its Members.

It is confidently estimated that the Members of this Company will be able to purchase Coals at about FOUR SHILLINGS per Ton less than the amounts ordinarily charged for similar qualities.

Co-operation, applied to various other departments of trade, and especially to those relating to articles of domestic use, has achieved enormous and substantial successes, and it is beyond a doubt that the supply of Coal—a matter of conspicuous importance to every member of the community—is a most favourable and legitimate field for the adoption and exercise of this popular, solid, and beneficial system.

Applications for Membership to be made on the printed Form, but no application will be considered unless accompanied by a deposit of 5s. for each share applied for. Should a less number be allotted than applied for, the balance will be retained towards the payment of the 5s. per share due on allotment; but if no allotment be made, the deposit will be returned in full.

The *Brighton Daily News* is the only Daily Paper in the South-Eastern Counties of England, and the only eight-page Halfpenny Newspaper in the Provinces. In consequence of the extensive circulation it possesses, and the position it occupies as a high-class Journal, it offers unusual advantages to all classes of advertisers.

The *Brighton Daily News* contains, in addition to full and accurate reports of all local matters, the latest Foreign, Home, Sporting, Metropolitan, Shipping, and Parliamentary News—the latter being despatched by telegraph each night during the Session.

The *Brighton Daily News* is also the leading fashionable journal in Sussex, and circulates very extensively amongst the nobility and gentry residing in or visiting the many fashionable resorts in the South of England.

Extensive arrangements are in operation for the distribution of the *Brighton Daily News* throughout Sussex and the adjacent counties by the early morning trains. In many cases it arrives a considerable time before the London papers, and is therefore much sought after.

The *Brighton Daily News* can be supplied daily, by the First Post, on payment of 6s. 6d. per quarter in advance, or it will be forwarded by the first train to any station on the Brighton Railway, for 9s. 9d. per quarter.

 Scales of Charges for Advertisements, or other information, will be forwarded immediately on application to the Proprietor, H. J. INFIELD.
