BRISTOL STREET DIRECTORY.

IN issuing this the first ANNUAL STREET DIRECTORY of the City of Bristol, the Publisher takes no credit to himself for the very efficient manner in which it is carried out. Mr. Superintendent HANDCOCK, of the Bristol Police, kindly undertook to collate the names of the Streets and Places, and the present pamphlet is the successful result of his labours.

It is hoped that the next issue will contain much more information than even the present one, and suggestions will be gladly received.
