No application can be entertained for compensation for alleged injury from the non-payment of a Money Order at the expected time; and the Post Office is not liable under any circumstances to more than one payment of a Money Order, even when, notwithstanding the precautions that are taken, the Order has been paid to a person not entitled to receive the same.

APPLICATIONS TO RETURN LETTERS—A Letter when it has once been posted cannot be returned to the writer, but must be forwarded to the person to whom it is addressed.

CHANGE AND BAD MONEY—No Postmaster is bound to give change, or is authorised to demand change; and when any money is paid at the Office, whether as change or otherwise, no question as to its right amount, goodness, or weight can be entertained after it has been removed from the counter.

Inland Postage Rates, &c.

LETTERS between places in the United Kingdom, the Isle of Man, the Orkney, Shetland, Scilly and Channel Islands; Prepaid—Not exceeding 1 oz., 1d.; 2 oz., 1½d.; 4 oz., 2d.; 6 oz. 2½d.; and so on, ½d. being added for every 2 oz. A Letter exceeding 12 oz. 1d. for each oz. Not prepaid, double these rates.

STOUT POST CARDS, which bear a ½d. impressed stamp, may be obtained at all Post Offices, price 8d. for 12; THIN DITTO, 7d. for 12. The *address only* must appear on the front; the communication must be written or printed on the back.

BOOKS AND NEWSPAPERS—*A Book Packet* may contain paper or other substance in ordinary use for writing or printing, photographs, when not on glass, or in frames containing glass, also circulars (to the exclusion of letters, sealed or open, or anything which is sealed or closed to inspection), and such books, &c., may be printed, written, or plain. The postage is ½d. for every 2 oz. or fraction of 2 oz., to be prepaid by stamps. *Newspapers*, whether posted singly or in a packet, ½d. each; but a packet containing two or more *Registered* newspapers is not charged at a higher rate than a book packet. Not prepaid, double the book rates. Every packet to be sent without a cover, or in a cover open at the ends, but the packet may be tied at the ends. No book packet may be above 5 lbs. in weight, nor above 18 in. long, 9 in. wide, or 6 in. deep, unless sent to or from a Government Office.

REGISTERED LETTERS, January 1st, 1878.—A Letter, Book, or other Packet, on which the postage has been prepaid in Stamps, can be registered to any part of the United Kingdom for a fee of *Twopence*. The times for Registration are stated in the foregoing Table, headed "Despatch of Letters, &c."

For the convenience of person living in country places, where no Post Office is near, Letters will be Registered by Rural Post Messengers, who will receive Letters for Registration on their outward and on their inward walks, whenever it is practicable for them to do so.

In the event of a Registered Letter containing an enclosure of intrinsic value, or its contents, being lost while passing through the post, the department will, under certain regulations, make good the value of the contents up to £2. These Regulations will be published shortly.

Registered Letter Envelopes bearing a 2d. stamp for the payment of the Registration Fee, will be sold at all Post Offices, and by Rural Messengers.

A Letter intended to be registered must not be dropped into a Letter Box, but must be given to an agent of the Post Office to be registered.

Inland Letters containing Coin, Jewellery, or Watches, cannot be sent Unregistered. If dropped into a Letter Box, they will, as heretofore, be registered by the Post Office, and charged on delivery with a Registration Fee of 8d.; a similar fee of 8d. will be charged on Letters (without regard to their contents) marked "Registered," but posted Unregistered instead of being given to a Post Office servant.

No Letter containing Coin, Jewellery, or Watches, can be sent, even if registered, to any Foreign Country.

The Postmaster-General hopes that when Registration is made so cheap and so easy, the Public will altogether abstain from sending Letters containing enclosures of value through the Post Unregistered.

Ordinary Business.

The Cambridge Office is open to the Public for ordinary business at 7 a.m., and is closed at 10 p.m. On Sunday the Office is open only from 7 a.m. till 10 a.m., but the Letter Box remains open as on other days.

Telegraph Business

Is transacted on Week Days from 7 a.m. till 10 p.m.; and on Sundays from 8 till 10 a.m., and from 5 till 6 p.m.
